Material	The bench is made from practical and durable PVC canvas which is phthalate free. The frame is Rilsan coated steel. Material: Steel, PVC.
Ergonomy	Pressalit Care offers a range of high quality, fixed or power adjusted nursing benches designed to provide a stable platform suitable for changing adults and children in a variety of settings: schools, day care centres, institutions, hospitals and private homes.
Features	The integrated gas cylinders enable the bench to be folded out of the way when not in use to maximise floor space in front of the unit. Splash curtain (optional) for the nursing bench protects the carer against splashing.
Cleaning	Pressalit Care recommends that chalky deposits be removed from wall tracks and other aluminum parts using a solution of three parts of 30% acetic acid to seven parts tap water. When the aluminum parts have been washed down with this solution, the parts should be wiped over with a damp cloth wrung out in clear water. This product complies with the requirements of Council Directive 93/42/EEC concerning medical devices, as last amended by Council Directive 2007/47/EC of 5 September 2007.
