**IMMEDIATE & LASTING
PROTECTION** of carpets and
textiles from moths!

- Keeps away all kinds of moths
- Immediate action
- Protects for up to 6 months
- Pleasant lavender scent
- With the active ingredient of the neem tree
- With the active ingredient of chrysanthemum

Insect-OUT® Moth Spray has a preventive effect and protects high-quality textiles like carpets, upholstery and clothes from moths and their larvae for a long time.

Use: Insect-OUT® Moth Spray with a pleasant lavender scent provides lasting protection for textiles like carpets, upholstery and clothes against moths and reinfestation. Apply spray to non-critical area and check for colourfastness! Shake bottle vigorously and evenly spray affected textiles from a distance of 30-40 cm. The textiles will dry quickly and can be used again right away. They are protected for up to 6 months. If necessary, apply again.

TIP:
We recommend to use our
Insect-OUT® Moth Mist
to treat infested rooms.
