## Hand dryer hands-in automatic black, PQ14AZ

After a relaxed visit to the toilet the last thing you need is a loud hand dryer. The PlastiQline designers have taken this into account. This special sound-reduced PlastiQline hand dryer will ensure a quiet ending to each toilet visit. Much thought went into the design of this sleek hand dryer as its black housing is both striking and subtle. Add to that the subtle sound strength and unknowingly fast drying time and you've arrived at the ideal component for your sanitary area. It is easy in use; as soon as you place your hands in the designated area the hand dryer will be activated. Furthermore, the dryer is provided with an antibacterial Biocote® protection which ensures a hygienic use. If you don't want a noisy hand dryer either, then request a quote for the automatic black PlastiQ Line Hands-in Hand Dryer.
